

Tourism & Business Events Loire Valley - Western France

8 - FULL DAY GOURMET TOUR

Welcome in Normandy !

Due to its geographic position, this region is blessed with a stunning natural beauty that once inspired Maupassant and Monet.

Little wonder today's sightseers pack into colorful Rouen, seaside Honfleur, and magnificent Mont-St-Michel. Happily, it is easy to escape all those travelers. Simply lose yourself along the spectacular cliff-lined coast or in the green spaces inland, where the closest thing to a crowd is a farmer with his herd of brown-and-white cows.

Whatever road you turn down, the region is sure to enchant.

Normandy has also long played an outsized role in European history, from the Norman invasion of England in 1066 to the D-Day landings of 1944 and a visit to these places is a unique moment.

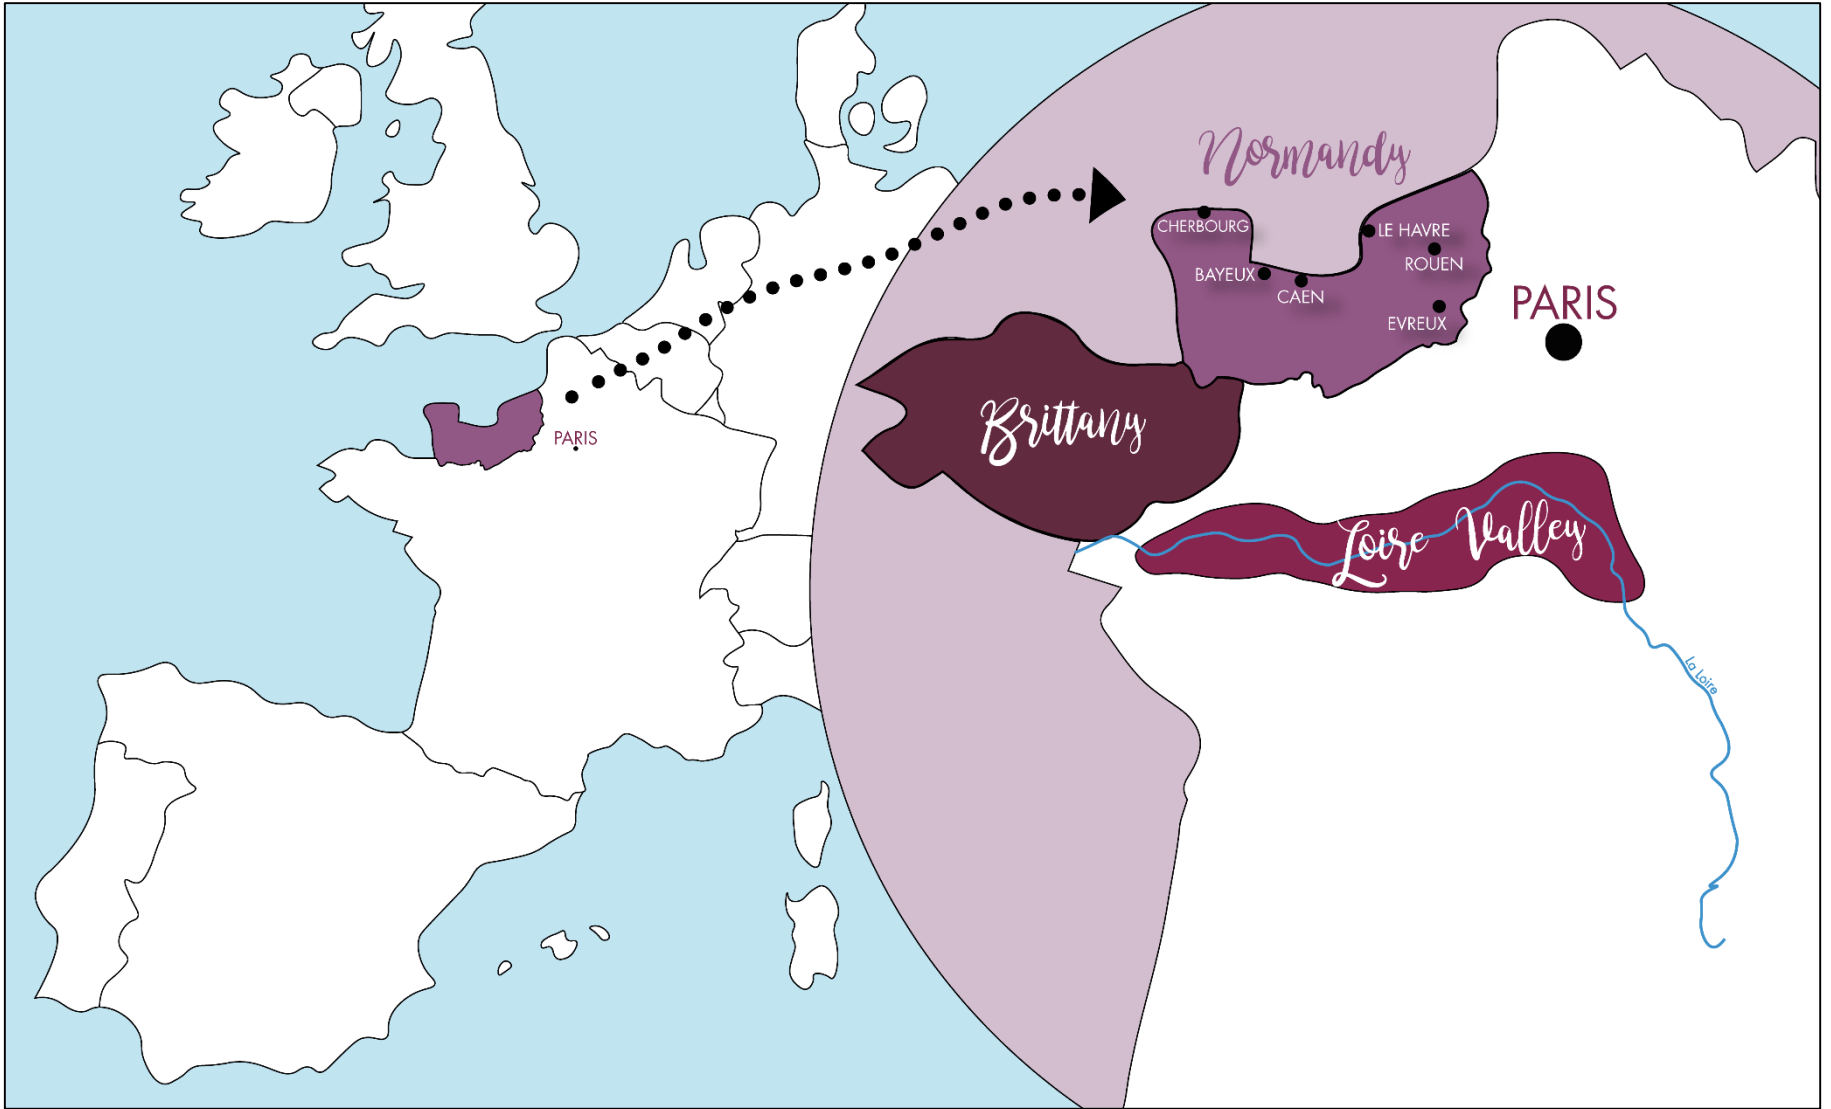

For visitors, the chance to combine cultural heritage with gastronomic indulgence and wild nature makes for a winning formula
